

## **St. Brigid of Kildare Parish Playgroup**

### **Who we are:**

We are a community of parents and children, including babies, toddlers and preschoolers who enjoy making new friends, supporting each other and exploring the Dublin/Columbus area. Children's ages vary, and our group is always changing. All young children are welcome.

### **What we do:**

We meet every Wednesday at 10 a.m. (unless otherwise noted) in the homes of our participants. We generally have one outing a month where we visit playgrounds, or other kid-friendly locales, like museums or the zoo. Drop in whenever you wish! We're a relaxed group and we know that busy schedules don't always allow for visits every week.

### **How we operate:**

Playgroup is absolutely free! We hope that you can host one playgroup each quarter at your home. However, if that's not convenient for you, there are opportunities to bring snacks or to help plan outings. Playgroup's weekly meeting place is listed in the parish bulletin. Regular attendees receive a schedule and are added to our phone and email list so they can receive schedule changes and other helpful information.
